Amsterdam, the Netherlands; 1st June 2016 – AerData, a Boeing Company, the provider of lease management, records management and engine fleet planning software, are delighted to announce the relocation of their UK office to a newly refurbished, larger facility in the Manor Royal Business District, Crawley, West Sussex.

A striking 7 storey landmark building, Astral Towers is one of the best known offices in Crawley. Located immediately off the A23 arterial road in central Crawley, it is 9 miles from the M25, 30 minutes by train from Central London and 5 minutes by taxi from London Gatwick Airport.

Commenting on the announcement, Vincent van der Gulik, Director Products and Services, AerData said, "We are thrilled to have finally moved our 70 UK employees into our new offices after years of planning. This is a much larger office space, allowing us to bring our colleagues closer together and more room for manoeuvre as we grow as an organisation."

This move continues the growth of Boeing in the UK, delivering enhanced prosperity to the UK economy. Boeing has doubled its UK workforce since 2011.

The new address is:
