

Service Organization Controls Report

Application Specific Services

Ernst & Young Accountants LLP states, based upon its own examination, that the control measures related to the AerData Application Specific Services System as executed by:

AerData B.V.

for the period January 1, 2017 to September 30, 2017, are adequate to ensure reliable execution of the services mentioned above.

This statement is intended to show that within the processes as executed by AerData the control measures operated effectively. This ensures the reliability of the AerData Application Specific Services. We refer to the Service Organization Controls type II report, dated November 17, 2017 (reference: MHEN-AT3C7T), including our assurance report for an overview of the conclusions and findings related to the AerData Application Specific Services.

Date: November 17, 2017
